### PROFESSIONAL COSMETIC LINE MESOPHARM SIMPLE CARE

combines many years of Mesopharm company cosmetologists and technologists experience, latest developments in the field of ingredients, simple and easy for understanding programs of both in-salon and home treatment, affordable price.

#### **Base principles of Mesopharm Simple Care line:**

**THREE-STEP CLEANSING SYSTEM** is an essential part of skin treatment. It consists of removing fat-soluble and hydro-soluble impurities and restoring skin's natural pH level which is crucial for skin protective systems' functioning.

**SAFE COMPLEXES OF INGREDIENTS** of the world's leading manufacturers and thorough production control.

**MANTAINING NATURAL SKIN BALANCE** including water, lipid, ion, acid-alkaline balance, restoring deficiency of elements which are necessary for building and functioning of skin own protective structures and systems.

**BASE TREATMENT PRODUCTS** are designed for cosmetologists' aesthetic programs and for enhancement of injection courses.

**WE HAVE PROVEN** that simple yet professional skin treatment can restore natural balance and maintain health and beauty of the skin.

## THREE-STEP CLEANSING

### MICELLAR WATER 400 mL

#### Gentle make-up remover

Doesn't contain alcohol or soap. Doesn't irritate the eyes. The ability of micelles to remove impurities at the same time supporting hydro-lipid barrier of the skin without irritating it makes this product perfect for sensitive skin.

For all skin types, especially sensitive

**Active ingredients:** Complex of micelles and polysaccharides.

MICELLAR WATER

### CLEANSING GEL 400 mL

#### Cleansing normalizing gel.

Multipurpose product for daily care of face, neck and décolleté skin. It gently removes impurities without damaging the hydro-lipid barrier of the skin. Cleansing gel increases protective functions of the skin and has a pronounced anti-oxidant action.

For all skin types, especially combination, oily and prone to rash

**Active ingredients:** Complex of soft surfactants on the base of betaine. Unique complex of bioflavonoids, broccoli extract and aloe extract, natural moisturizing complex, water-soluble form of the peach oil, complex of plants extracts: Centella, Juniper, Hamamelis, Sage and Thyme.

CLEANSING GEL

### CLEANSING FOAM 150 mL

#### Gentle foam for daily cleansing

This soft foam cleans the skin delicately and carefully, reduces its sensitivity to hard water. The combination of seven plant extracts has anti-inflammatory, sebostatic and bacteriostatic properties.

For all skin types, especially oily and combination skin

**Active ingredients:** Complex of soft surfactants, *Sapindus mukorossi* extract, Water-soluble form of peach oil. Detoxification and self-cleaning complex: citrus bioflavonoids, vitamin P, broccoli extract, aloe extract. Combination of 7 extracts: nasturtium, burdock, sage, lemon peel, ivy leaf, soapwort, fucus.

CLEANSING FOAM

### COMBI TONER 400 mL

#### Toner for normal and combination skin

The cleansing toner improves skin general condition and restores its natural balance: tightens the pores, decreases oiliness of the T-zone and restores water balance of the skin. For normal and combination skin, for oily problematic skin prone to acne.

**Active ingredients:** Complex for seborrheic skin treatment normalize sebum production: liquorice root extract, soy isoflavones, shea butter, wild yams extract, vitamins B3, B6, ceramides, azelaic acid and zinc. Wild yams extract, Azelaic acid, Betaine, urea, hyaluronic acid, Vitamin B3.

COMBI TONER

## THREE-STEP CLEANSING

### SENSITIVE TONER 400 mL

**Toner for dry and sensitive skin.**

Cleansing toner is designed specially for sensitive skin and doesn't contain alcohol. Complex of active ingredients restores microcirculation, strengthens vessel walls, deeply hydrates and softens the skin. The product effectively restores water, acid-alkali and lipid balance of the skin. For dry and sensitive skin, for normal skin.

**Active ingredients:** Betaine, urea and hyaluronic acid, Vitamin B3, Anti-inflammatory complex based on the aloe vera gel, Complex of extracts: Centella, liquorice root, wormwood, blueberry, Ginkgo Biloba, briar, coneflower, calendula, balm, Hamamelis, linden.

3

SENSITIVE TONER

## EXFOLIATION

### AHA GEL 400 mL

**Gentle foam for daily cleansing**

Cleansing and exfoliating product containing complex of fruit acids. Is particularly recommended as a part of regular treatment for oily, problem and acne-prone skin. The gel promotes intensive pores cleansing, removes inflammation and relieves desquamation. Is recommended for post peel preparation.

**Active ingredients:** Fresh fruit extracts containing saturated AHA-acids (lemon, milk, glycolic acid, tartaric acid), NMF moisturizing complex, Plant extracts (aloe, Echinacea, daisy, calendula, Centella, balm, Hamamelis and linden).

AHA GEL

## HARDWARE COSMETOLOGY

### HA GEL 500 mL

**Gel for hardware cosmetology procedures**

This is a base product which can be used in hardware cosmetology procedures or as an independent agent. It increases the efficacy of miostimulation and ultrasound effect on the skin. It restores and maintains water balance. For normal, combination, dry and sensitive skin

**Active ingredients:** 1,5 hyaluronic acid, mespilus extract.

HA GEL

## PERSONAL CARE

### LIFTING CREAM 200 mL

#### *Lifting cream for the face*

This firming lifting cream visibly reduces and prevents wrinkles. It hydrates the skin and stimulates collagen synthesis. It also improves the skin firmness, tightens the facial contour, restores healthy complexion and eliminates visible signs of fatigue. For normal, combination and oily skin

#### **Active ingredients:**

Albizia extract, Vitamin B3, sea microalga *Nannochloropsis Oculata* extract, Hamamelis extract.

LIFTING CREAM

### ANTI-WRINKLE CREAM 200 mL

#### *Anti-aging cream*

The cream aims at correcting age-related changes of the skin and has a pronounced anti-ageing effect: it increases elasticity and firmness of the skin, improves its structure, reduces wrinkles and eliminates signs of fatigue. The cream protects the skin from dehydration and restores its hydro-lipid barrier. For normal, dry and combination skin

**Active ingredients:** *Eperua falcata* bark extract, Complex of ceramides, Crambe oil, Complex of plant extracts: *Centella*, liquorice root, wormwood, blueberry, *Ginkgo Biloba*, Brier, Quince extract, Squalane.

ANTI-WRINKLE CREAM

### MULTI ACTIVE CREAM 200 mL

#### *Multi Active moisturizing cream*

The cream provides intensive skin hydration, tones and firms the skin. It also has an anti-age effect: it slows the process of skin ageing, stimulates cell regeneration. Multi active cream contains phytonutrients, vitamins and hydrating components, restores the natural protective barrier of the skin. The product has a strong anti-oxidant effect, protects the skin from the free radicals, relieves irritation and itching. It protects DNA and protein molecules from UV rays and reduces the level of damage. For normal, combination, dry or dehydrated skin.

**Active ingredients:** *Sparassis* extract, Crambe oil, Plant complex made of active *Sea Magnum*, Vitamin B3, Complex of activated amino acids.

MULTI ACTIVE CREAM

## MASSAGE

### MASSAGE CREAM 200 mL

#### *Massage cream for face, neck and décolleté*

This revitalizing massage cream accelerates natural cell regeneration and enhances efficacy of a skin care procedure. Unique molecular structure of oils makes the cream easy to distribute on skin surface and provides long-lasting sliding effect. For every skin type.

**Active ingredients:** *Abyssinica* seed oil (crambe oil), Rapeseed oil, Squalane, Betaine, Vitamin B3.

MASSAGE CREAM

## MULTI-PURPOSE MASKS

### RECOVERY MASK 200 mL

#### **Nourishing & regenerating face mask**

The mask contains effective anti-age ingredients and botox-like effect complex. It has a strong anti-oxidant action which aims at eliminating visible signs of ageing: it reduces mimic wrinkles and thin lines and provides a long-term effect of the skin smoothing. Due to its stable form, vitamin C penetrates the skin delicately and actively participates in physiological processes. The mask also removes irritation and increases barrier function of the skin by repairing damaged stratum corneum. For every skin type, especially dry and dehydrated.

**Active ingredients:** Crambe oil, Squalane and hyaluronic acid, Plant complex made of active Sea Magnum, Beta-glucan, Complex of ceramides, Fatty acids, Sphingolipids, Ascorbyl Tetraisopalmitate.

### KAOLIN MASK 200 mL

#### **Cleansing mask on the base of kaolin**

This clay mask promotes deep skin cleansing, pore contraction, desquamation and regulation of sebum production. Due to its natural base, the product relieves irritation and redness, soothes and mattifies the skin. For normal, combination, oily and prone to acne skin.

**Active ingredients:** Kaolin, Zinc, Hamamelis extract, Complex «SebuStop» of plant extracts (liquorice root, ginger and Sanguisorba officinalis).

### SEA COLLAGEN ALGINATE MASK 300 g

#### **Alginate mask with sea collagen**

This moisturizing mask suits every skin type, especially dry, sensitive and irritated skin. Due to collagen properties the mask calms the skin, promotes regeneration. It reduces depth and pronouncement of the wrinkles, tones and strengthens epidermis, increases elasticity. Damask rose calms the skin and has an antioxidant effect. For every skin type, especially for dry, sensitive and irritated skin.

Can be used for body treatment.

**Active ingredients:** Datomite, alginic acid, calcium sulphate, hydrolyzed collagen, damask rose oil.

### SPIRULINA ALGINATE MASK 300 g

#### **Alginate anti-wrinkle mask with spirulina**

Rejuvenating spirulina mask smooths the wrinkles, actively hydrates and removes inflammation. Due to high content of sea algae, the mask improves skin tone and has a rejuvenating effect. Spirulina is the richest source of vitamins, polysaccharides and antioxidants. For every skin type, especially dry and mature.

Can be used for body treatment.

**Active ingredients:** diatomite, alginic acid, calcium sulphate, sea ooze extract, laminaria and spirulina extract.

RECOVERY MASK

KAOLIN MASK

SEA COLLAGEN ALGINATE MASK

SPIRULINA ALGINATE MASK

## BODY TREATMENT

### RICH BODY CREAM 200 mL

**Moisturizing body cream with shea butter**

Rich body cream restores elasticity, provides deep hydration and softens the skin. Combination of shea butter and algae instantly improves skin appearance, making it silky and smooth for a long time. The cream restores skin after solar aggression and increases its protective functions. For every skin type.

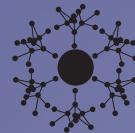

**Active ingredients:** Shea butter, Soy oil, Vitamin E, Laminaria extract, Spirulina extract.
