Provocateur

A new at-home coloring innovation with a formula for deep pigment penetration. Extra-long-lasting results and vibrant color up to 8 weeks. Contains a complex to restore hair structure.

Blondevolution

Specialized line for blondes. Lift up to 6 levels without brassiness. Contains a keratin complex to protect hair during and after lightening. Professional results at home.

Bad Girl

Bright neon and pastel shades for bold experiments. Ideal for creating creative looks and color highlights. Temporary formula allows you to change your look as often as you want.

Children's Cosmetics

Fruit Monsters

Bright characters for children, inspired by fruity aromas. The series includes shampoos, shower gels, and toothpastes with fun labels and natural ingredients. The safe formula without parabens and sulfates makes the use of products pleasant and beneficial. Each product has its own unique fruit aroma and a monster character that children love.

Restless

Safe care for babies from the first days of life. The hypoallergenic series was developed in collaboration with pediatricians and dermatologists for the delicate skin of newborns and children up to 3 years old. The line includes body oils, diaper creams, gentle shampoos and lotions that do not cause irritation and tears. All products have undergone clinical trials and are certified for use by children.

Ladybug and Super Cat

Cosmetics based on the popular cartoon characters, which turn daily hygiene procedures into an exciting adventure. The collection includes shampoos, bath foams, shower gels and children's perfumes with bright images of favorite characters. The special "no tears" formula makes the bathing process pleasant. Each product is enriched with vitamins and natural extracts to care for children's skin and hair.

All of the company's children's cosmetics are developed taking into account the characteristics of children's skin, undergo strict quality control and meet international safety standards. We create products that children love and that parents trust.

Adult Cosmetics

Panthemed

Microemulsion cosmetics with 5% D-panthenol. Deeply hydrates, restores and soothes irritation. Accelerates tissue regeneration. For sensitive skin and after cosmetic procedures. The line includes balms, creams, gels and sprays that quickly heal micro-damages and prevent inflammation. Ideal for recovery after peels, laser treatments and other aggressive exposures.

Ceramed

Specialized care for dry skin. Contains ceramides and hyaluronic acid to restore the protective barrier. Effective for atopic dermatitis, eczema and psoriasis. The formula is enriched with a lipid complex that prevents transepidermal water loss and protects against external irritants. Clinically proven significant improvement in skin condition in just 14 days of use.

Milk

The "Good Mood" series with milk proteins for daily care. Gentle texture and light fragrance. Includes cleansers, toners, creams and masks for all skin types. Milk proteins nourish the skin with nutrients, making it soft and velvety. Made from natural ingredients without parabens, silicones and artificial dyes. Suitable for the whole family.

AquaFruit

Refreshing line with fruit extracts and hydrolates for intense hydration. Contains a complex of vitamins and antioxidants that protect the skin from free radicals and premature aging. Light textures absorb quickly and do not leave a sticky residue. Especially recommended for oily and combination skin, as well as for use in hot weather.

Etre

Premium anti-aging line with peptides and plant stem cells. Comprehensively addresses all signs of aging: smoothes wrinkles, increases firmness and elasticity, evens out skin tone. The formula is based on innovative technologies developed in the company's own laboratories. Each product undergoes thorough testing to ensure maximum efficacy and safety.
