Roslin Skincare

Our company offers a wide range of high-quality cosmetic products developed using innovative formulas and natural ingredients. We strive to ensure that every moment spent with Roslin products is filled with care and pleasure. In every bottle, you will find only safe formulas specially designed for gentle care of your skin and hair.

The refreshing aromas of our products will help you relax and turn your daily routines into true rituals that bring joy and pleasure. Beautiful and well-groomed appearance starts with self-love and care for your body.

Mika Group LLC

Aquae Granni Universal Laundry Detergents

Aquae Granni is a brand inspired by the centuries-old history of fabric care.

Aquae Granni laundry gels are created using an innovative formula that makes the washing process simple, easy, and effective. They can replace multiple products while keeping fabrics, family, and the environment safe.

Aquae Granni Universal Fabric Softener is designed to make the washing process simple, easy, and effective, leaving fabrics soft and fresh. It can replace multiple products while keeping fabrics, family, and the environment safe.

Technology to protect against the re-deposition of dirt during washing. Increases washing efficiency and keeps fabrics cleaner for longer.

Marketing Support

We provide full marketing and consulting support throughout the entire period of working with a partner.

Consultations

Providing expert consultations on products and features of their promotion in various markets.

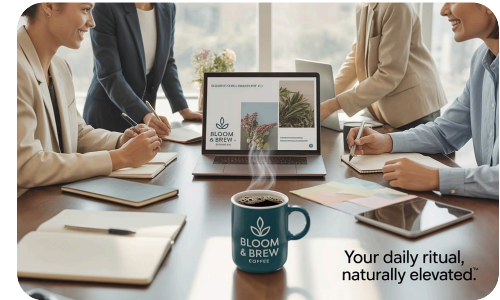

Materials

Development and provision of marketing materials: catalogs, brochures, high-quality product photos.

Training

Conducting training events for partner personnel on the features and benefits of the products.

Joint Promotions

Development and implementation of joint marketing activities to promote products in the market.

Our goal is to help partners present our products in the market as effectively as possible.

Mika Group LLC
